1.

Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- The Reading Program is well established within the school. We have employed teacher aides to support student development of reading. We have closed the gap in years 3 and 5 reading and have positive feedback from the SIU Team regarding our progress of the reading Program.
- The school has purchased additional computers and now has a ratio of 1:2 laptop to student in years 6,5 &4

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Aligning the Early Years Program to the Literacy Continuum has begun with teachers

monitoring progress using a data wall. This work will continue into 2018.

Our school initiatives have shown limited progress toward our targets

During 2017, limited progress was made toward our targeted student outcomes. We will review our initiatives and make adjustments to better focus on maximising the benefits of *Investing for Success* funding for our students.

Initiatives implemented include: All initiatives either meet and exceed or have had substantial growth.
