## STUDENT RESOURCE SCHEME

Dear Parents,

Ipswich East State School is offering the Student Resource Scheme for the purchase of digital resources for 2017. It offers value for money as these resources are offered to the school at a discount rate. The cost for the digital resource scheme is \$25.00 per year for each student. These resources will be available for your child to use at home. If you opt not to participate in the 2017 resource scheme your child will not be able to access Reading Eggs or Mathletics through the school. A personal subscription for Reading Eggs is currently \$79.00 per year and Mathletics is \$99.00 per year. The Book List, Student Resource Scheme and payment information is being distributed along with this letter.

To participate you need to complete the attached blue SRS form and return to the office by 3<sup>rd</sup> February 2017. There are various payment options available.

If you want to participate but are experiencing problems paying, please bring your signed agreement to the office and indicate to the ladies in reception that you would like to discuss payment options with someone.

**Note:** *To help minimise fees charged by the bank, this school prefers payments to be made by either cash, Bpoint or EFTPOS.*

Kind regards

Naomi Meerwald  
Principal
